Re: Employment Verification for Evgeny Arbatov

To whom it may concern:

This letter is to certify that Evgeny Arbatov was an employee of Facebook Singapore Pte Ltd. His last held position was that of a Business Engineer at Facebook Singapore Pte. Ltd., located at 9 Straits View, Level 29, Marina One, Singapore 018937, Singapore. Evgeny Arbatov was employed by Meta group companies between June 19, 2014, to September 20,2023.

As a Business Engineer, their job duties included:

- Design, build & integrate end-to-end systems and launch-plan strategies.
- Coding, code reviews and provide constructive feedback while quickly actioning feedback from code reviews conducted of your code.
- Built new products and improved existing ones in collaboration with product engineering teams and cross functional partners to meet business needs.
- Understood and applied deep knowledge of products, technologies, and business to build solutions to solve for problems at scale.
- He served as a subject matter expert within Business Engineering and provided consultation on domain-level projects.
- He participated in interviewing and onboarding of new team members.

Meta builds technologies that help people connect, find communities and grow businesses. When Facebook launched in 2004, it changed the way people connect. Apps like Messenger, Instagram and WhatsApp further empowered billions around the world. Now, Meta is moving beyond 2D screens toward immersive experiences like augmented and virtual reality to help build the next evolution in social technology.
